- 1. Rules display in alpha order by Name
- 2. Rules with a future Effective Date will display as [Inactive] and be highlighted in red
- 3. Last Updated column will display the last update made by a User or the LoanNEX system. Example: when the LoanNEX system applies a Rule at the Effective Start Date/Time, the Last Updated column will reflect that the Rule was updated.

Update an Active Rule when a Rule with a Future Effective Date is Pending

1. Navigate to appropriate Rule Page (LLPAs, Overlays, or Softstops)
